§ 309.10 Review requirements.

- (a) For purposes of this section, whenever Peace Corps is required to afford a debtor a review within the agency, Peace Corps shall provide the debtor with an opportunity for an internal review of the existence or the amount of the debt. (2) An oral hearing is not required when, in Peace Corps' determination, the matter can be decided on the documentary record. Unless otherwise required by law, such oral hearing shall not be a formal evidentiary hearing.

§ 309.11 Collection.

Upon final determination of the existence and amount of a debt, unless other acceptable payment arrangement have been made or procedures under a specific statute apply, Peace Corps shall collect the debt by one or more of the methods described in § 309.9(b) (6) (i-vii) or as otherwise authorized by law and regulation.

These may be funds under the control of Peace Corps or other Federal agencies. Collection may be through centralized offset by the Financial Management Service (FMS) of the Department of the Treasury.

(2) Such payments include but are not limited to vendor payments, salary, retirement, lump sum payments due upon Federal employment separation, travel reimbursements, tax refunds, loans or other assistance. Offset of Federal salary payments will be in accordance with 5 U.S.C. 5514.

(3) Before administrative offset is instituted by another Federal agency or the FMS, Peace Corps shall certify in writing to that entity that the debt is past due and legally enforceable and that Peace Corps has complied with all applicable due process and other requirements as described in this part and other Federal law and regulations.

(b) Any other method authorized by law or regulation.
